# ISABELLA PERLEE

3D Character Animator

## REEL BREAKDOWN

### **“Crossing the Line” · Solo Animation Project**

Developed and animated a dramatic singing performance shot test in Maya in Hyrum Osmund masteclass. Applied iterative feedback and drawovers from weekly sessions with Osmund to refine facial performance, and body mechanics. Features one character singing to a clip of live performance of a song, “Crossing the Line.”

### **“Gerard” · Solo Animation Project**

Developed and animated an acting performance test in Maya. Features two characters acting to a clip of found dialogue; a wife and her husband who reacts to her surprise for him. Completed as a test in an acting animation course at SCAD.

### **ZERK · Hybrid Short film · 2024**

Worked as Animation lead. Led a team of 20 animators in production of the 3D animated sci-fi short film. Features 3 characters - two soldiers and Vic (boy character) who reaches to take the soldier’s credit card. Also responsible for animating the camera motion in the shot.

### **Emotion-shift Test · Solo Animation Project**

Developed and animated a pantomime acting performance test in Maya as a personal project. Features one cartoony character shifting emotions, from evil to timid.
